Selected Men of This Division Are Drilling Regularly Under Trained Officers-Volunteers Want to Be in First Quota at Camp.

Local Exemption Board No. 4 is the Flegenheimer yesterday. first board in the city to certify its quota of men to the district board. Fifty-nine men were last night certined as physically fit for the army and not having any exemption claims. The having any exemption claims. initial quota of men from this division is 161 and although this number has been certified to the district board two of them will probably be turned back owing to the new height regula-

Enthusiasm is still running at high pitch in this division, and the second drill of the selected men was held last night on Twenty-third Street be-Broad and Marshall Streets. Separate drills were held, one for the white men and one for the colored nen. Two sergeants from the Richmond Grays were on hand last night and had charge of drilling the colored soldiers. The attendance at the drills last night was about the same as that of the first drill, which was held on Monday night. T. Vernon Chalkley, a had charge of drilling the white men.

Although this division has secured a first quota of men, the work of the exemption board officers is by no means completed. Claims for exemp-tion are still being filed with this board, which handled 150 claims yesterday. Twenty-two claims were denied by this board yesterday.

Three more men volunteered their services to go in the first 5 per cent of men to leave for Camp Lee, Petersburg, on September 5.
